To Whom It May Concern,

We authorise IPP to contact our current suppliers on our behalf to obtain our consumption history, supply numbers, pricing details, and contract end dates regarding matters surrounding the procurement process in respect of utilities supplier purchasing.

We hereby agree that any supporting data required may be shared with IPP and between IPP and any nominated 3rd Parties involved in the procurement process.

We request that any contact is to be made via IPP, we will not accept any other form of communication and in failing to comply may result in any proposal not being submitted for consideration.
